Tell me whatcha think I wanna hear  
In a drunk dial phone call saying you're sorry  
Doing anything to get me near  
But your sweet talk reeks from the fifth of Bacardi  
Boy you know that I'm sick of it  
Had your chance so get over it  
You know you had it all  
Acting like you're really over this  
Got you lips locked up with a little miss naughty  
See ya trying to make a show of it  
But when last call comes then you whisper you want me  
Now I know that you're missing it  
But I told you I'm over it  
So take your girl and go  
And don't you know?  
Silly boy silly boy you had your chance  
You blew it over and over again  
Silly boy now you want what you can't have  
It's too late it's too late  
So stop your begging for me back  
Cause all your words can't erase the fact  
I'm over you Silly Boy  
Complimenting on my mystery  
Say the girls from the club are a little too easy  
Loving on my spontaneity  
Cause when you're with me it's a little hard breathing  
Boy you know that I see through it  
Only want what you couldn't get  
But when push comes to shove  
Ya know I never really needed you  
You're just my little boy toy with a real hot body  
Being scandalous is what you do  
But your Trumped up game never got me falling  
Boy you know that I see through it  
But I told you I'm over it  
I'm better off alone  
And don't you know  
Silly boy silly boy you had your chance  
You blew it over and over again  
Silly boy now you want what you can't have  
It's too late it's too late  
So stop your begging for me back

Cause all your words can't erase the fact  
I'm over you Silly Boy  
Oh yeah it's over you silly boy  
Oh yeah it's over you silly boy  
Silly boy silly boy you had your chance  
You blew it over and over again  
Silly boy now you want what you can't have  
It's too late it's too late  
So stop your begging for me back  
Cause all your words can't erase the fact  
I'm over you Silly Boy
