It's a crazy twisted world  
And you can enter, if you dare

Enter into my world  
I'll be flirtin' it up, I'ma make your head swirl  
This fantastical feeling  
Well it comes about when your tummy's turning

A sexy soothing sensation comes with my every touch  
I'll nuzzle, cuddle make you think that this could be  
true love

I'll turn your world right upside down  
where down is up and up is down  
now put your hands upon the ground  
and shake it till the song begins

Twisted oh ya oh ya, now twist it twist it

It's twisted oh ya oh ya, so twist it twist it  
Go crazy when I lick my lips  
You are falling for my charm, I'ma make your world flip  
Topsy topsy crazy spinning  
and it's all because of my tender teasing

Break it down  
na na na na na na na na na na  
Come closer  
I wanna tell you...  
I'm totally just into you  
so come on now do what I tell you to  
I'll twist it to make sure you're feelin' me  
Then move in close I'll make you crazy
