See the look in my eyes I'm untouchable
Go ahead and give it a try I'm untouchable
No way to hold me down you just can't keep me
Around get on out without a sound I'm untouchable

Door closed saw your eyes on me
Look straight through me...
Know what you see
Paige jeans a little black T-Hairs wavy-say
You want to know me

I'm bout to let you find out this
Doesn't mean that you can get in it
Know you're curious
Takes much more to get this chick

Nice shoes I got em
Cute clothes
I got em
Can't buy me boy use some words to impress me

See the look in my eyes I'm untouchable
Go ahead and give it a try I'm untouchable
No way to hold me down you just can't keep me
Around get on out without a sound I'm untouchable

Touching & Feeling on me
I make guys sweat me so badly
Say touching my everything, takes much
More to make my heart beat

[Chorus]

[Bridge]

You may think I'm leadin you on hard baby
But I told you I'm untouchable
Un un touch touch a a ble ble
Un un touch touch a a ble ble-Baby I'm untouchable

[Chorus]
