The book before them  
Where all records have been written  
When Creation comes in Trial  
Then the Gods will sit in Judgement

Canticles as hope

Do not forsake me  
Seeking me through vast afflicted  
To redeem me, by the passion.

Canticles as hope

This is my prayer to you, like the deer  
That yearns for running streams  
My soul is yearning. Where can I see the face of you?

Canticles as hope

Do not forsake me  
Seeking me through vast afflicted  
To redeem me, by the passion.  
Let such a labor not be useless by the Judge.

Canticles as hope
