When the cursed all are banished  
Doomed to that devouring furnace  
Summon me among the blessed. On my knees I fall  
(before them)  
Grant the dead eternal rest perpetual light shine.

Day of bitter Lamentation  
When man rises up from ashes  
Doomed to Judgement Lost and Guilty  
Grant me grace for my atonement  
Ere the day I stand

I lament for I and I am (Guilty) and I blush for my wrong  
doing  
I implore Them Saviour spare me

Grant the dead eternal rest perpetual light shine.

I lament for I and I am (Guilty) and I blush for my wrong  
doing  
I implore Them Saviour spare me.
