So you think you're  
The brain?  
Got it all figured out?  
Self-righteous and vein  
But you are mindless  
On top of the world  
In your House of Red Tape  
House of Red Tape

A delusional trap  
Full of lateral change  
We deal with your crap  
Because we're spineless  
We gotta stay in the box  
Because it's safe in  
Your cage  
Safe in a cage

House of Red Tape  
My will to try decreases  
House of Red Tape  
You break my soul to pieces

Fuck the man  
Goddamn the Corporation  
Take a stand  
Against manipulation  
We demand  
Stop your intimidation  
And lies

?Think outside of the box?  
Gotta play by their rules  
Gotta suck corporate cocks  
To fucking survive  
It's like a race of the rats  
To get a nibble of cheese  
Get down on your knees

Shake a hand, make a deal  
Under a ceiling of glass

Spinning that hamster wheel  
Just to stay alive  
Over over again  
Until the day that you die  
Can't escape?cause I tried
