Katie locked herself  
Inside her room;  
Put on a dress  
And sprayed perfume.  
But she's not going  
Out tonight, no no.  
Lit a cigarette  
And poured a drink,  
Then Katie sat down  
More to think  
About her life and she  
Turned on the radio...

"I hope to God  
That you take really  
Good care of  
My pet bird,  
'Cause he's the  
Only one that cared."

Katie wrote a note  
And kissed the page,  
Put some birdseed  
In Polly's cage,  
Then she closed the  
Window and  
Let out a sigh.  
She shut the light  
And sat down  
On the floor,  
Took down her hair,  
And thought some more.  
Then she whispered  
To her bird, "goodbye."

When the cops  
Arrived there  
In the room,  
The sight they saw  
Was full of gloom -  
They took the gun  
From Katie's hand

And covered her head.  
They found a note  
With a lipstick stain  
And on that page,  
Written real plain,  
Was a single line  
In dark blue ink  
From a ball-point pen  
That said...

"I hope to God  
That you take really  
Good care of  
My pet bird,  
'Cause he's the  
Only one that cared."
