Oh my love, don't you cry
I won't leave you alone tonight
So put your hand back into mine
And I will hold you until the end of time, yeah

I hung my hope on your return
Now all that sorrow so soon will burn
So tend my heart with tender hands
And see your sunshine's pouring in

And all the world is at my feet, yeah
'Cause you came sailing back to me, yeah

So look around you and look outside
A great big love and a big blue sky
And all the spring, and all this light
And all these treetops, well, they're all mine

'Cause all the world is at my feet, yeah
'Cause you came sailing back to me, yeah

All the world is at my feet
'Cause you came sailing back to me, yeah

My love, Lord, say yeah
We are sailing
And we are sailing on
So come on sailing, yeah
We are sailing on

My love, oh
My love, oh
My love, yeah
My love, yeah, my love

Say you're mine
Say you're mine
Say you're mine
