You found me here
I'm barely breathing
You picked me up
But I'm still wanting more

You're the ocean deep
I'm in up to my knees
Wanting desperately to drown

You're the one bright part
Of my languid heart
You're the love
I cannot live without
I cannot live without

Please hold me close
I can't stop shaking
It's not for fear
My walls are breaking down

You're the ocean deep
I'm in up to my knees
Wanting desperately to drown

You're the one bright part
Of my languid heart
You're the love
I cannot live without
I can't live without
I can't live without You
I can't live without You
And I cannot live without You, oh

Can You hold on?
Can You hold on?
Can You hold on to me?
Because You hold everything, yeah

You're the ocean deep
I'm in up to my knees
Wanting desperately to drown

You're the one bright part
Of my languid heart
You're the love
I cannot live without
I can't live without You
I can't live without You
