Now I praise You, Lord of all creation
You ordain the sun to rise and fall
You scatter the stars across the heavens
And You come close enough to hear me call

Now I want to say
Holy is Your name
Let all creation proclaim
Holy is Your name

Your love is the shelter over my soul
And You fill me with the wonder of a child
You will heal the humble and the broken
Mercy flows like a river running wild

Now I want to say
Holy is Your name
Let all creation proclaim

Holy is Your name
Holy is Your name

On the highest mountain
I will lift my heart to the sky
From the lowest valley
Hear my cry

Now I want to say
Holy is Your name
Let all creation proclaim
Holy is Your name
Holy is Your name
Holy is Your name

Now I want to say
(On the highest mountain)
Holy is Your name

(I will lift my heart to the sky)
Let all creation proclaim
(From the lowest valley)
Holy is Your name

Holy is Your name
Holy is Your name
Holy is Your name
