"My Eyes Have Seen Holy"

Am I unfit for You
Remember me, the one who turned from You
I come in rags tattered by the Fall
And all the earth, a witness to my crime

Mercy, weep over me
Let Your tears wash me clean
Majesty, be merciful with me
For my eyes have seen Holy

Hear my prayer at night
Let the morning find me alive
For I am tired and weakened by the Fall
Let all the earth bear witness to my cry

Let the Amen sound from Heaven as You lift my soul
Let the Amen sound from Heaven as You lift my soul
Let the Angels sound from Heaven, Holy is the Lord
