I'm walking in an open field looking for some space to
fill

I believe there's something left to hold
So even when the sun goes down and there's no one
around

I'm standing in the freedom of my soul

And the truth of the matter is still the same
It's that You and I, we will not be here forever
The truth of the matter is still the same

I'm ready to stand
I'm ready to stand
I'm ready to stand
I'm ready to stand

Stand, oh yeah yeah yeah
Yeah yeah yeah
Yeah yeah
I know, I know, know I

I can see the earth from here, I can see it shake in fear
I can see it falling to its knees
But you know I'm not the same, my burden is a burning
flame
I hold it up for all the world to see

And the truth of the matter is still the same
It's that You and I, we will not be here forever
The truth of the matter is still the same

I'm ready to stand
I'm ready to stand
I'm ready to stand
I'm ready to stand

Stand, oh yeah yeah yeah
Yeah yeah yeah
Yeah yeah
I know, I know, know I

I'm walking in an open field, looking for some space to

fill
I believe there's something left to hold
And I can see the earth from here, I can see it shake in
fear
I'm standing in the freedom of my soul, oh

So even when the sun goes down, and there's no one
around
Even when the sun goes down, even when the sun goes
down
Even when the sun goes down, even when the sun goes
down
Even when the sun goes down and even when the sun
goes down

I'll stand
I'm ready to stand
You love me, I love you
I love you, I love you
I'll stand
I'm ready to stand
Stand
I'm getting to stand
