Take these hands and lift them up  
For I have not the strength to praise you nearly enough  
For I have nothing, I have nothing without you

Take my voice and pour it out  
And let it sing the songs of mercy I have found  
For I have nothing, I have nothing without you

All my soul needs  
Is all your love to cover me  
So all the world will see  
That I have nothing without you

So take my body and build it up  
May it be broken as an offering of love  
For I have nothing, I have nothing without you

All my soul needs  
Is all your love to cover me  
So all the world will see that I have nothing  
But I love you  
With all my heart  
With all my soul  
With all my MIND  
And all the strength that I can find

And all my soul needs  
And all your love to cover me  
So all the world can see I have nothing

Take my time on this Earth  
Let it glorify all that you are worth  
I am nothing, I am nothing, without you
