In the passion of Your sacrifice
I saw the prophecy fulfilled
The Healer of the world, the wounded Christ
I heard You say, come follow me
So I will, yes I will

Follow You Jesus, all the way up that hill
I will follow you
Follow You Jesus, all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You Lord. Follow you, I will Yes I will

On the sacred path, You bled for us
Scorned and broken, up that hill
How terrible the cross, how glorious
I heard You say, come follow me
So I will, So I will, yes I will, yes I will
Follow You Jesus, all the way up that hill
I will follow you

Follow You Jesus, all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You Lord. Follow you, I will Yes I will

Will I stumble in the darkness?
In my weakness, when I feel afraid
Hear me Jesus, Hear me Jesus, when I call Your name
Oh help me Lord, won't You help me Lord
Please help me Lord
Would you help me Lord

Follow You Jesus, all the way up that hill
I will follow you
Follow You Jesus, all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You Lord. Follow you, I will

Follow You Jesus, all the way up that hill
I will follow you

Follow You Jesus, all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You Lord. Follow you, I will
I will, I will, yes I will, yes I will

Help me Jesus, when I feel afraid
