I never thought I'd say
Those words you heard today
I'd never thought we'd do
But we needed to

I'd never never go astray
Never ever push you away
Never never meant to impose
But I needed to

Who do you think you are
And I said don't you look at me like that
You'll put ideas in my head
Who do you think you are
And I said don't you look at me like that
You'll put ideas in my head

I'd never cross that line
But I can't leave this behind
I'd never be untrue
Because I need you

I'd never never go astray
Never ever push you away
Never never meant to impose
But I needed you

You have too much on your plate
You just couldn't wait
You got lost in our time
You needed me, but I said
