Do you remember me?  
I sat upon your knee  
I wrote to you with childhood fantasies  
Well I'm all grown up now  
Can you still help somehow?

I'm not a child but my heart still can dream

So here's my lifeful wish  
Grown-Up Christmas List  
Not for myself  
But for a world in need

No more lives torn apart  
That wars will never start  
And time will heal our hearts  
And every man will have a friend  
That right will always win  
And love will never end  
This is Grown-Up Christmas List

Why does this illusion call the innocence of you?  
Maybe only in our blind belief can we ever find the truth

Not for myself  
But for a world in need

No more lives torn apart  
That wars will never start  
And time will heal our hearts  
Every man will have a friend  
That right will always win  
And love will never end  
This is Grown-Up Christmas List  
This is my only life long wish  
This is Grown-Up Christmas List
