(One day, one day, one day)

They're not gonna keep me down
They're not gonna shut me out
They're gonna do what they do, I do me
I'm moving against the crowd
I'm drowning out, way down
They're gonna do what they do
I do something original
Be unforgettable
They're gonna know my name

CHORUS:

(One day) I'll make you a believer
(One day) I got this all I need is
(One day) Don't try to tell me I can't (tell me I can't)
(And now) I'm a light in the future
(Watch out) Wont stop I'm a mover
(One day) You're gonna know who I am
I will fly high and free
It's my fate wait and see one day

I've been afraid before,
To reach for something more
But now I see that it's mine, I'll take it
Just go ahead and try,
You're not gonna change my mind
There's no such thing as too late

Yeaaaaaahhhh!!

(CHORUS)

BRIDGE:

I'm on a mission, no longer listening
To anyone that says don't try
Sometimes you feel it, deep in your spirit
It's like a fire that won't die

(One day) Wait and see

(One day) Oooh
(One day) Just wait and see

CHORUS:

(One day) I'll make you a believer
(One day) I got this all I need is
(One day) Don't try to tell me I can't (ooooh)
(And now) I'm a light in the future
(Watch out) Wont stop I'm a mover
(One day) You're gonna know who I am (know who I am)
I will fly high and free
It's my fate wait and see, one day

One day, one day
One day, one day, one day
