I can't remember when you weren't there
When I didn't care for anyone but you
I swear we've been through everything there is
Can't imagine anything we've missed
Can't imagine anything the two of us can't do

Through the years
You've never let me down
You turned my life around
The sweetest days I've found
I've found with you
Through the years
I've never been afraid
I've loved the life we've made
And I'm so glad I've stayed
Right here with you
Through the years

I can't remember what I used to do
Who I trusted whom, I listened to before
And I swear you've taught me everything I know
Can't imagine needing someone so
But seems to me
I need you more and more

(Through the years) Through the years
(Through all the good and bad) Through all the good
and bad

(I knew how much we had) Hoooh
(I've always been so glad) So glad to be with you
(To be with you)
(Through the years) Through the years
(It's better everyday) It's better everyday
(You've kissed my tears away) you kissed my tears
away
(As long as it's okay)
I'll stay with you
Through the years

[Interlude]

Through the years
You've never let me down
You've turned my life around
The sweetest days I've found
I've found with you
Through the years
It's better everyday
You've kissed my tears away
As long as it's okay
I'll stay with you
Through the years
Through the years
