You and me against the world  
Sometimes it seems like you and me against the world  
When all the others turn their backs and walk away  
You can count on me to stay

Remember when the circus came to town  
And you were frightened by the clown  
Wasn't it nice to be around someone that you knew?  
Someone who was big and strong and looking out for  
you

And you and me against the world (you and me against  
the world)  
Sometimes it seems like you and me against the world  
(you and me against the world)  
And for all the times we've cried I always felt that  
God was on our side (God is on our side)

And when one of us is gone (when one of us is gone)  
And one of us is left to carry on  
Then remembering will have to do (remembering will  
have to do)  
Our memories alone will get us through  
Think about the days of me and you  
Of you and me against the world

[Interlude]

Hmm...

And when one of us is gone  
And one of us is left to carry on  
Then remembering will have to do  
Our memories alone will get us through  
Think about the days of me and you  
You and me against the world
