I found you
I turned you in to America
I believe in you
Telling you
The kind of mind
Running wild
I will do it with you
I will do it without you

Oh my, my, my come on dry your eyes
There's only one kind of mind who truly satisfies
Love is the key
I will sacrifice my soul to free you from misery

Love is the key (x4)

Come feed me
Come feed me with your attitude
Your lucky creature
A lady
The kind of mind
Can truly satisfy
I will do it with you
I will do it without you

Oh my, my, my come on dry your eyes
There's only one kind of mind who truly satisfies
Love is the key
I will sacrifice my soul to free you from misery

Love is the key (x4)

I can feel with you (x2)
Like a wandering star a hungry will get you
One kind of mind
Will truly satisfy
Your lucky creature you!
Miss you

I found you
I turned you in to a miracle
I believe in you

Telling you

Oh my, my, my come on dry your eyes
There's only one kind of mind who truly satisfies
Love is the key
I will sacrifice my soul to free you from misery

Love is the key (x4)
