A boy with a stronger emotion, has nothing on me I've got this one

Going round round this sensation I found in my

Love as it touches perfection, a balance of truth and correction

Going round round this sensation I found again

Station to station, this sensation, a celebration I won

Speculation reassures your opinion to presume you are the answer division

Going round round this sensation I found in my soul

This hated body's persuasion, on any level of the organisation

Going round round this sensation I found again

Ooh, ooh, ooh

Station to station, this sensation, a celebration I won

A stranger in awe of the chaos in reality he never could save us

Going round round this sensation I found in my

Again, again, again this sensation I fucking won
