Don't stop Mr DJ
Don't stop Mr DJ

It's a little after midnight
It's time to get our groove on
Everybody's on a good vibe
Dancing and drinking and partying the night away
The bass line gives me butterflies
The DJ sit and he hypnotised
The melody sweeps me off my feet
Feels like this song is just for me

Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me

Keep on dancin' till me feet ache
Keep on movin' till it's time to go home
and I won't stop until the morning light

When the sun is shining, birds are singing
The bass line give me butterflies
The DJ sit and he hypnotised
The melody sweeps me off my feet
Feels like this song was meant for me

Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me

And even when the lights go on
I'm still dancin to my favourite song
Work all week, thinking about the weekend
So we can do it all again

Don't stop Mr DJ

Play that funky music for me
Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me
Don't stop Mr DJ
Play that funky music for me
