God drives a dreamless highway in a black sedan  
Picking up survivors preaching to the motel man

Blazing apostles thieves in the night  
Messengers of the fall  
If you are needing an angel of light  
Why don't you give us a call

Death drives an Airflow Chrysler on the streets of man  
A hit and run driver cruising since the world began

Blazing apostles, guardians of light  
The phone number's on the wall  
If you are needing a devil to fight  
Why don't you give us a call

Salvation brings a badge to wear  
On the glad rags of your soul  
Just keep up with the payments  
And we'll make your misery whole  
We've got albums of redemption and confessions on  
cassettes  
All on easy hire from the following address

Blazing Apostles Flat 99, South Revelation Row  
City of Lost Souls, Land of the Blind  
It's a wonderful place to go  
A wonderful place to go

Saints on the highway  
Martyrs on the road to hell  
Posters make a prophet  
If you've got a soul to sell  
Chance of a lifetime  
Join the legions of the damned  
Secrets of Egypt  
Substances from old Japan

Blazing apostles thieves in the night  
Messengers of the fall  
If you are needing an angel of light

Why don't you give us a call  
Why don't you give us a call
