

## Charles & Taylor "Still Gonna Pray"

Every time when it gets rough,  
some people just go and hide,  
worrying that it's too tough  
and they don't look inside.

I'm gonna fall on my knees,  
humble myself and say,  
"Lord, I need a little more help",  
"can you just make a way".

Bridge 1:  
Through what I feel  
(right now) I just can't deal,  
Give me peace  
('cause Lord) I need relief.

You love me  
(enough to) show You care,  
that's why I stay in prayer.

Chorus

Verse 2:  
When it's good, got out the 'hood,  
money just ain't a thing,  
feeling like ya did it yourself,  
so ya just ain't caring.

What about keeping in touch  
with the One who gives life,  
took away all of your sins  
and carried you through your strife.

Chorus

Bridge 2:  
It is by grace (that I live),  
I can't replace (what God gives).

Chorus

Vamp 1:

Doing just fine, doing just fine.  
Better than okay, better than okay.

Vamp 2:  
Better than okay, better than okay.  
Better than okay, better than okay.

Chorus
