O what if I overdressed for the show?  
Fuck you, asshole, cuz you got a crooked nose  
And from what I can tell it must obstruct your sight  
Cuz it's only four letters but you still can't say my  
fucking name right

Elbro's not my name!

You cut out every line I said  
Next time I see you you're fucking dead  
Would've been my fifteen minutes of fame  
But no, you blind bastard, you're the one to blame

So what if our story wasn't as cool as the rest?  
How about I fuck your wife, would that get your  
interest?  
Still, Jerry, after all this there's one thing I don't know  
What sucks more, you, or your fucking show?

Elbro's not my name! [x4]  
Fucker!
