Poser likes to go shopping in the mall
To buy crappy music to add to the collection on his wall
But just like his paper route it's all the same
A life that's boring and tastes that are lame

Airwalk shoes
Baggy shorts
Baseball hats
Stupid dorks

Cesar thinks is the best
Even in the summer he's got that long-sleeve shirt on
his chest
He bases his life around his favorite disc "Suffer"
And he's fucking pissed he actually had to pay \$ for
gas huffer

Airwalk shoes
Baggy shorts
Baseball hats
I hate it all
It makes me
Wanna
Fuckin' smash my
Stereo against the wall
