Well I guess might have heard of me
That I'm a little loose and fancy free
Well darling I don't wanna leave no doubt
I'm the girl your mamma warned you bout
The place is jumpin now I'm in the mood
Why don't you let me change your attitude
Well I know a good place to start
You gotta get a little wild at heart

Chorus-Well I'm crazy, baby
Crazy over you
And maybe, baby
I can make you a little crazy to

I think you oughta losen up that tie
Call your mamma with an alibi
Tell her you wont be home till after dark
You gotta get a little wild at heart

(Instumental break)

Chorus

Shake it loose and let it all hang out
I wanna see you do the twist and shout
You don't need to be a millioniar
And no modern day Fred Estiar
Your really rockin and doing fine
It didn't take you long to loose your mind
You can't stop it honey once you start
You gotta get a little wild at heart

Chorus

Your really rockin and doing fine
It didn't take you long to loose your mind
You can't stop it honey once you start
You gotta get a little wild at heart

You can't stop it honey once you start
You gotta get a little wild at heart
