It feels like a lifetime, a thousand days have passed
By
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with me

Heaven knows what to say
Even though for right now you're so far away
I hope and I pray
Somewhere in your heart I'll always stay

Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath in
My life ending
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine without
You

This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you

And that we shared, I can't forget
Girl a love like yours
I'll never let just slip away,
Just promise that you'll stay

Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to you

Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath in
My life ending
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine
Without you

Have you ever seen a flower that did not bloom, seen a
starlit night without the moon, well that's me without
you, so comeback and turn my nights into days.

Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath in
My life ending
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine
Without you
