From Tiffany speak to ,
Come on everybody this time is , word
This is a message from a funky thang ,
We gonna spray the funk all over the land
We're the funk masters of the universe
You may think you got it bad
But we can funk the world, we got that funky thang

In the morning, funky thang
In the night
We got , people up so we dance all morning, do it right
We got that funky thang, in the night
We got that , people want all
Sure gonna do it right

In the 21st century, we survive, it's older , still alive
So come on here darling, let's spread the word
That good funky music has a right to ,
We got that funky thang, in the morning
Funky thang, in the night
Wanna let on you ,
, tonight
We got that funky thang, ah
So funky thang, funk, funky thang, oh, hey, hey
We got that funky yhang, charlse said we got that
funky thang
I believe him
I got that funky thang
And you got that funky thang, it's a funky thang, come
on
We got the funk in the morning ,funk at night
We know that you love it, so we gonna treat you right
We got that funky thang, all
We got all ,the sun joy
, and we have a lot of fun
,fell asleep, up in this funky beat
We got that funky thang on
We got that funky thang
We're the funk masters of the universe
Some people got the funky bad but we got it worse
, for ,and the bell, just pick the telephone
Everybody else they have may have everything else

But we get so funky till we cannot stand ourselves
We got that funky thang, oh,
We got that funky thang, yeah
We got that funky thang
We got that funky thang going
We got that funk oh,
Here it comes
Funky thang, , the funk we got
Funky thang, oh we got that funky thang,
We got that funky thang.
