Been down on my luck
Things haven't gone so well
I've tried, tried really hard
To go through

You know how it goes
You win some
You lose some too
But I'm losing so long
Don't know what to do
Don't know what to do

[CHORUS]
So, help me please
I'm turning to you
Turning, I'm turning to you
I'm on my knees and
I'm turning to you
Turning, I'm turning to you
You got what I need
And I'm turning to you

Don't let me down

Time after time
Thought about what you said
When I told you my plans
And my dreams

So now it's gone wrong
Dreams are all nightmares now
And so, I'm turning to you
Just one more time
Only one more time

[Repeat CHORUS]

Don't let me down

Only one more time

[Repeat CHORUS 2x]

So, help me please
I'm turning to you
Turning, I'm turning to you
I'm on my knees and
I'm turning to you
Turning, I'm turning to you...
