I love my mini ramp  
Stay away from my mini ramp  
I love my mini ramp  
Stay away from my mini ramp  
I love you baby  
I love you so much  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
I love my mini ramp  
Stay away from my mini ramp  
I love my mini ramp  
Stay away from my mini ramp  
I love you baby  
I love you too much  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
I'm not a part of the world  
That you're living it  
You're just a part of  
What you gave to yourself  
What's the matter whit you  
What's the matter whit you  
Don't you like, I can see your noni (???)  
Don't you like the way?  
The way that I am  
The way that I am  
The way that I am  
Stay away  
Stay away  
Stay away  
I love my mini ramp  
Stay away from my mini ramp  
I love my mini ramp  
Stay away from my mini ramp  
I love you baby  
I love you too much  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
I think one day I'm gonna touch you  
[2x]

Let's shake all the parts  
That you have in your home  
[2x]  
Yeah...you have in your home
