There is a war somewhere,  
And both sides want my life.  
It interred my sister,  
I eat my plates filled twice.  
Could you give up the honor,  
For who you're supposed to be?  
If I'm a criminal, well that's alright with me.

Life feeds on life.  
Wouldn't you know?  
Unity means both.  
Tonight I'm the other one.  
Will you have me at your table?

I will hurt you,  
But I will raise you up,  
Higher than free.  
Higher than free.

There is a ghost somewhere,  
Who wandered through his life.  
Searching for answers,  
And a love that got left behind.  
And every night he'd haunt you.  
And reach out for your love.  
But you gave him a pitiful  
Expression  
And you turned my day to night.

What does not concern you,  
You never cared enough,  
At least not for me.  
Don't lie to me.

I will hurt you,  
But I will raise you up.  
Higher than free.

What does not concern you,  
You never cared enough  
At least not for me.  
Don't lie to me
