Judas Iscariot, how did you feel  
As you watched them take Him away?  
And you Simon Peter, what did you think  
When you betrayed Him at the break of day?

Did your heart break down inside  
From the bitter tears you cried?  
Did you think that all was lost  
As He hung there on the cross?

Did you think He deceived you  
Or did you believe the things  
He told you just before He died?  
Why'd you run and hide?

John the beloved, where was your heart  
As you waited the lonely night through?  
Were you afraid now that Jesus was gone  
The Romans were coming for you?

Did you cringe in fear and shock  
When you heard that fateful knock?  
And the shout rang through the room  
That He was not in the tomb?

As you ran to the grave  
And you entered the cave  
And found the stone had been rolled away  
What did the angels say?

He's not here, He is risen  
He is not among the dead  
He has sealed Jehovah's covenant  
He has crushed the serpent's head

He has conquered death  
Hell and the grave  
Now the old debt has been cleared  
He's not here, He's not here

Brothers and sisters where will you be  
When He makes His triumphant return?

He's calling to you, His salvation is free  
Can't be bought confiscated or earned

Though your sins be scarlet red  
Like the Holy Bible says  
Come and stand beneath the flow  
And be washed as white as snow

Then join in the chorus  
Proclaiming the joyous  
Praises to the King of Kings  
Lift up your voice and sing

He's not here, He is risen  
He is not among the dead  
He has sealed Jehovah's covenant  
He has crushed the serpent's head

He has conquered death  
Hell and the grave  
Now the old debt has been cleared  
He's not here, He's not here

He's not here, He is risen  
He is not among the dead  
He has sealed Jehovah's covenant  
He has crushed the serpents head

He has conquered death  
Hell and the grave  
Now the old debt has been cleared  
He's not here, He's not here  
He's not here, He's not here
