Well the eagle's been flying slow  
and the flag's been flying low  
And a lot of people are saying  
that America's fixing to fall  
But speaking just for me  
and some people from Tennessee  
we got a thing or two to tell you all

This lady may have stumbled  
but she ain't never fell  
And if the Russians don't believe that  
they can all go straight to hell  
We're gonna put her feet back on  
the path of righteousness and then  
God bless America again

(chorus)  
And you never did think that  
it ever would happen again  
In America, did you?  
You never did think that  
we'd ever get together again  
Well we damn sure fooled you

We're walking real proud and  
we're talking real loud again in America  
You never did think that  
it ever would happen again

From the sound up in Long Island  
out to San Francisco Bay  
And every thing that's  
in between them is our home  
And we may have done a little  
bit of fighting amongst ourselves  
but you outside people best leave us alone

Cause we'll all stick together  
and you can take that to the bank  
That's the cowboys and the hippies  
and the rebels and the yanks  
You just go and lay your head

on a Pittsburgh Steeler fan  
and I think you're gonna finally understand

(chorus)
