This ain't no rag it's a flag
and we don't wear it on our heads
It's a symbol of the land
where the good guys live
are you listening to what I said?
You're a coward and a fool
and you broke all of the rules
and you wounded our American pride

And now we're coming with a gun
and we know you're gonna run
but you can't find no place to hide
We're gonna hunt you down like a mad dog hound
make you pay for the lives you stole
We're all through talking and a messing around
and now it's time to rock and roll

These colors don't run and we speak as one
when we say united we stand
When you mess with one, you mess with us all
every boy, girl, woman and man
You've been acting mighty rash
and talking that trash
let me give you some advice
You can crawl back in your hole
like a dirty little mole
but now it's time to pay the price

You might of shot us in the back
now you have to face the fact
that the big boys' in the game
And the lightning's been flashing
and the thunder's been crashing
and now it's getting ready to rain
This is the United States of America
the land of the brave and the free
We believe in God and
we believe in justice
we believe in liberty
You've been pulling our chain
we should've done something 'bout
you a long time ago

But now the flag's flying high
and the fur's gonna fly
and soon the whole world's gonna know

This ain't no rag, it's a flag
old Glory red, white and blue
The stars and the stripes
when it comes to a fight
we can do what we have to do
Our people stand proud
the American crowd is faithful, loyal and tough
We're good as the best and better than the rest
and you're gonna find out soon enough
When you look up in the sky
and you see the eagle fly
you better know he's a heading your way
Cause this ain't no rag it's a flag
and it stands for the
USA
USA
USA
USA

When you look up in the sky
and you see the eagle fly
you better know he's a heading your way
Cause this ain't no rag it's a flag
and it stands for the USA

(Pledge of Allegiance recited)
