Chorus:

Pilot of the airwaves  
Here is my request  
You don't have to play it  
But I hope you'll do your best  
I've been listening to your show  
On the radio  
And you seem like a friend to me

Or a record of your choice  
I don't mind , I'd be happy just to hear your voice  
Saying this is for the girl  
Who didn't sign her name  
Yes, she needs a dedication just the same

Bridge:

Late at night I'm still listening  
Don't waste my time chasing sleep

People say I look weary  
But that 's just the company I keep  
Ooooh, you make the nighttime race  
Ooooh, I don't need to see your face  
You're sounding good (sounding good)  
Sounding good to me

Repeat Chorus

Repeat Bridge

You're sounding so good to me

Repeat Chorus

Oh, I've been listening to your show on the radio  
And you seem like a friend to me

Repeat Chorus
