You tell me you love me
You say you'll be true
Then you fly around
With somebody new

But I'm crazy 'bout you
You butterfly

You treat me mean
You're making me cry
I've made up my mind
To tell you goodbye

But I'm no good without you
You butterfly

I knew from the first time I kissed you
That you were the troubling kind
'Cause the honey that drips
Through your sweet lips
One taste and I'm outta my mind

I love you so much
I know what I'll do
I'm clipping your wings
Your flying is through

'Cause I'm crazy 'bout you
You butterfly

You tell me you love me
You say you'll be true
Then you fly around
With somebody new

But I'm crazy 'bout you
You butterfly

You treat me mean
You're making me cry
I've made up my mind
To tell you goodbye

But I'm no good without you
You butterfly

I knew from the first time I kissed you
That you were the troubling kind
'Cause the honey that drips
From your sweet lips
One taste and I'm outta my mind

I love you so much
I know what I'll do
I'm clipping your wings
Your flying is through

'Cause I'm crazy 'bout you
You butterfly

You butterfly
