Well, I always knew  
I was crazy for you  
How'd I know  
You'd thrill me so

If this is love  
It's fabulous

Your lips close to mine  
I get chills up my spine  
And when they touch  
I thrill so much

If this is love  
It's fabulous

I've read in the book  
About love and it's charms  
But I, I never knew  
Till I held you in my arms

When I held you right  
Well, I know, I know I'm right  
'Cause only you can do what you do

If this is love  
It's fabulous

Well, I always knew  
I was crazy for you  
How'd I know  
That you'd thrill me so

If this is love  
Well, it's fabulous

Your lips close to mine  
I get chills up my spine  
And when they touch  
I thrill so much

If this is love

Well, it's fabulous

Mmm mmm mmm, it's fabulous

If this is love

Well, it's fabulous
