The summer wind came blowin' in  
From across the sea  
It lingered there touched your hair  
And walked with me

All summer long  
We sang a song  
And then we strolled on golden sand  
Two sweethearts  
And the summer wind

Like painted kites, those days and nights  
Went flying by  
The world was new  
Beneath the bright blue  
Umbrella sky

Then softer than  
A piper man  
One day, it called to you  
I lost you to  
The summer wind

The autumn wind  
And the winter wind  
They have come and gone  
But still those days  
Those lonely days  
Go on and on  
And guess who sighs his lullabies  
Through nights that never end?  
My fickle friend,  
The summer wind

Umm... that summer wind.  
Warm warm summer wind  
Umm... that summer wind.
