I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself, what a wonderful world

I see skies are blue, and clouds are white  
The bright blessed of day  
The dark sacred night  
And I think to myself' what a wonderful world

The colours of the rainbow, so pretty in the sky  
Are also on the faces of people going by  
I see friends shakin' hands, sayin' "How do you do?"  
They're really saying "I love you"

I hear babies cryin', I watch them grow  
They'll learn much more than I'll ever know  
And I think to myself, what a wonderful world  
Yes, I think to myself, what a wonderful world
