Words cannot express the way you look in that white  
dress  
I don't believe there's ever been such a beautiful sight  
All my dreams are coming true that yellow rose ain't  
got nothing on you  
Hearts are breaking across Texas tonight

Tears will be falling everywhere you as you're letting  
down your hair  
From cowboys wishing that it was them holding you  
tight  
But that's the harsh reality and I'd feel the same if you  
hadn't chose me  
Hearts are breaking across Texas tonight

The Lonestar is shing bright above  
And there's magic in the air  
And looking deep into your eyes I can't help but  
sympathize  
With those who will never know the kind of love we  
share

Tears will be falling everywhere you as you're letting  
down your hair  
From cowboys wishing that it was them holding you  
tight  
But that's the harsh reality and I'd feel the same if you  
hadn't chose me  
Hearts are breaking across Texas tonight

Yes hearts are breaking across Texas tonight
