I love so fragile,
And the heart so hollow.
Shatter with words,
Impossible to follow.

You're saying I'm fragile,
I try not to be.
I search only for something,
I can't see.

I have my own life,
And I am stronger than you know.

But I carry this feelin';
When you walked into my house,
That you won't be walking out the door.

Still I carry this feeling;
When you walked into my house,
That you won't be walking out the door

Lovers forever,
Face to face.
My city or mountains,
Stay with me, stay.
I need you to love me,
I need you today.
Give to me your leather;
Take from me,
My lace.

You in the moonlight,
With your sleepy eyes;
Could you ever love a man like me.

And you were right;
When I walked into your house,
I knew I'd never want to leave.

Sometimes I'm a strong man,
Sometimes cold and scared,

And sometimes I cry

But that night I saw you;
I knew with you would light my nights,
Somehow I'd get by.

Lovers forever,
Face to face.
My city or mountains,
Stay with me, stay.
I need you to love me,
I need you today.
Give to me your leather;
Take from me,
My lace.

Lovers forever,
Face to face.
My city or mountains,
Stay with me, stay.
I need you to love me,
I need you today.
Give to me your leather;
Take from me,
My lace.
Give to me your leather;
Take from me,
My lace.
Take from me,
My lace.
Take from me,
My lace.
