With Her Little One In One Arm  
And The Laundry In The Other  
She Sure Could Use A Helping Hand  
But Thats The Life Of A Single Mother

Somebody's Calling On The Phone  
Somebody's Knocking At The Door  
She Forgets And Burns The Dinner  
Throws It Acrossed The Kitchen Floor  
And For A Moment She Wants To Give Up And Break  
Down

But Nobody's Crying But The Baby  
She Ain't Far From Going Crazy  
There Are Time She Wonders How She's Going To  
Make It  
But She Got To Be Strong Enough For Two  
She's Gotta Do What He Wouldn't Do  
No Time For Tears Around Here  
Nobody's Crying But The Baby

And When The Day Is Done  
She'll Tuck Her Angel In  
She'll Turn Out The Lights And Start Missing In Him  
Her Mascara Slowly Runs Down Her Face

But Nobody's Crying But The Baby  
She Ain't Far From Going Crazy  
There Are Time She Wonders How She's Going To  
Make It  
But She Got To Be Strong Enough For Two  
She's Gotta Do What He Wouldn't Do  
No Time For Tears Around Here  
Nobody's Crying

But The Baby Is Getting Older  
The Lonely Nights Are Getting Colder  
What She Wouldn't Give To Have A Shoulder To Cry On  
But She Got To Be Strong Enough For Two  
She's Gotta Do What He Wouldn't Do  
No Time For Tears Around Here  
Nobody's Crying But The Baby
