He starts to think when she winks that he's somewhere
he shouldn't be
He may be alone but at home someone's wearing his
ring
So he heads for the door and ignores the devil on his
shoulder
He'll do the right thing but someone's gonna break
down and hold her

Chorus:

And there's a vacancy at home but not tonight at the
Notel Motel
In a room full of lies where love is stolen or put up for
sale
If the walls could talk you know they'd have some
stories to tell
There's a vacancy at home but not tonight at the Notel
Motel

Once again another man walks in and orders him
drinks for two
Despite his wife and picture perfect life he's too good to
be true
While he's flirting she'd swear he's working on a job out
of town
A married man, you know he's got no business
messing around

Chorus:

And there's a vacancy at home but not tonight at the
Notel Motel
In a room full of lies where love is stolen or put up for
sale
If the walls could talk you know they'd have some
stories to tell
There's a vacancy at home but not tonight at the Notel
Motel

It's a five star chain or a run down dirt cheap no name
With or without room service what done is the same

Chorus:

And there's a vacancy at home but not tonight at the
Notel Motel
In a room full of lies where love is stolen or put up for
sale
If the walls could talk you know they'd have some
stories to tell
There's a vacancy at home but not tonight at the Notel
Motel
