She's as pure as a sunday morning
Just as fun as a saturday night
She's as pretty as a stain glass window
She's always shining like a neon light

When I'm holding her here in my arms
I feel as if there's nothing I can't do
But just the thought of her leaving me
Leaves me helpless and broken in two

Chorus:

My sweet contradiction knows well the chains that bind
me
My cure and my addiction is her love and only her love
Can set me free

And no I don't understand what did I do to deserve to
be her man
She's such an angel so why is she flying so low
So she can love someone like me

Repeat chorus

Repeat first verse

Yeah she's my sweet, she's so sweet
She's my sweet contradiction
That girl is sweet, she's so sweet
She's my sweet contradiction
