Spots on my face, too much acne to embrace
The person behind them
Zits on my back, with heads bright white, scarlet and
black
In much too much an awkward place to pop them
Pimples on my chest, probably there because I'm
stressed
About the people talking behind my back
About the spots on my face, the ones I wish I could
erase
Just like the so called friends that like to tease me
about them

Clearasil and Freederm, sitting in my bathroom
The spots on my face can confirm that they don't really
work
Proactiv solution deserves an execution
For being an ablution that does nothing but smirk at me
'Cause I'm an acne ridden teen

Countless times I've tried and tried but my skin just
ends up all dry
And I'm left wanting to say inside
But then one day I said: "Charlie, it's not as bad as it
could be
They're only spots, it's not like you've died"
Be a man, be who you are, but try not to pop them in
case they scar
Even though squeezing them is fun, fun, fun
Understand at the end of the day to put your hands
down and say okay
Get out of the bathroom, and lie out in the sun
(Because I heard that helps)

Clearasil and Freederm, sitting in my bathroom
The spots on my face can confirm that they don't really
work
Proactiv solution deserves an execution
For being an ablution that does nothing but smirk at me
'Cause I'm an acne ridden teen

But I won't let that define me
Because the people that mind don't matter
And the people that matter don't mind
So when all that puss goes splatter
Wipe it off your mirror, and wipe it from your mind
You could try and dairy free diet
And drink 8 cups of water a day
But in the end your acne will still run riot
'Cause the hormones that cause them, just won't go
away

(Scat Solo)

Clearasil and Freederm, sitting in my bathroom
The spots on my face can confirm that they don't really
work
Proactiv solution deserves an execution
For being an ablution that does nothing but smirk at me
'Cause I'm an acne ridden, somewhat smelly, kind of
weird
But generally, A-OK teen
