This isn't sometimes, this is always.
This isn't maybe, this is always.
This is love,
The real beginning of forever,
This isn't just mid summer madness,
A passing glow, a moment's gladness,
Yes it's love.
I knew it on the night we met,
You tied a string around my heart,
So how can I forget you.

With every kiss I know that
This is always.

(Orchestral & Solo Sax, Piano Break)

Yes it's love.
I knew it on the night we met,
You tied a string around my heart,
So how can I forget you.
With every kiss I know that
This is always.
