My baby makes me proud, Lord don't she make me  
proud  
She never makes a scene by hanging all over me in a  
crowd  
'Cause people like to talk, Lord, how they love to talk  
But when they turn out the lights, I know she'll be  
leaving with me

CHORUS:

And when we get behind closed doors

Then she lets her hair hang down  
And she makes me glad I'm a man  
Oh no one knows what goes on behind closed doors.  
My, behind closed doors.

My baby makes me smile, Lord don't she make me  
smile  
She's never too far away or too tired to say
