If tonight should be our last night together
I'm not sorry that we fell in love at all
If tomorrow's sun should find me hurtin' for you I know
That the price for loving you would still be small

Lord, I'd never know the thrill of your sweet lips
And the chills I get just knowin' that you're mine
'Cause I'd spend my life not knowing what real love is,
oh no
Though I'd be hurtin'
I'm still certain
That I'd rather love and lose you then never know your
love at all
Lord, I'd never know the thrill of your sweet lips
And the chills I get just knowin' that you're mine
'Cause I'd spend my life not knowing what real love is,
oh no
Though I'd be hurtin'
I'm still certain
That I'd rather love and lose you then never know your
love at all
Yes, I'd rather love and lose you then never know your
love at all
