If you ever come back this way again
I want you to know that
You got a friend in me
Thanks for the smiles

If you ever think back
And you come to me
Maybe there was something
Kinda special between you and me

Thanks for the smiles
Thanks for the smiles
You're a sunshine lady

We had a lotta fun
But time went fast
You and I didn't want
A thing to last too long
Thanks for the smiles

But you're leaving here now
I'll never trade
I'm thinking right now of
The love we made last night

Thanks for the smiles
Thanks for the smiles
You're a sunshine lady

And the door is always open
You're free to come and go
As you please

And there ain't no way of telling
Just how much you really mean to me
Guess I won't know that till you're gone

But if you ever
Come back this way again
I want you to know you got
A real close friend in me

Thanks for the smiles
Thanks for the smiles
You're a sunshine lady

Such a sunshine lady
